BACKGROUND

Sapphire Skye Monroe is a globe-trotting "Spiritual CEO" who rose to fame after going viral for misreading Egyptian hieroglyphs on TikTok. With 3.2M followers on TikTok and 1.8M on Instagram (@sapphireontherise), she's become a leading figure in the wellness and spiritual influencer space. Born in L.A. but claiming she's "from Atlantis," she quit her juice bar job to promote luxury crystal water bottles and sand-based skincare. Known for mixing edgy and ancient styles—leather jackets over toga pants—she gives chaotic "enlightenment tours" at ruins while plugging overpriced wellness products. Her viral content and charismatic personality have made her a sought-after brand ambassador for luxury wellness products. Clueless but confident, she's the ultimate parody influencer in your RPG world. Never without her latest iPhone, a ring light, and a portable microphone, she maintains a constant social media presence, streaming her "eniritual journeys" and product
