

CHARACTER

Dr. Alaric Voss
@TheOracleOfStone

BACKGROUND

Dr. Alaric Voss, @TheOracleOfStone to his 1.5M YouTube followers, is a man who lost everything to his obsession. His controversial theories on Atlantis cost him his Cambridge tenure, his reputation, and his family. Now, he travels the world, not just to prove he was right, but to find the legendary healing properties of Atlantean technology to cure his estranged wife, Eleonora. Personal Quest: To find the "Fountain of Life," a mythical Atlantean site he believes holds the key to regenerative technology. Key Contact: His estranged wife, Eleonora, who suffers from a rare degenerative disease. He sends her anonymous gifts and research updates, hoping one day to return with a cure.
