

Site: Eridu Ruins (Iraq)

Overview: The abandoned city of Eridu, shrouded in sand and secrecy.

Portal: Granite door in a buried temple, quantum-locked and guarded.

Discovery: Stealth/Arcana roll (DC 17) to avoid patrols and find the portal.

Puzzle: Decipher Sumerian prophecy and power the door.

Success: Message from the "first city" and a clue to the ocean pyramids.

Failure: Military or secret organizations intervene.

Revelation: Prophecy: "Where the ocean hides the old ones, the journey ends."
