

Site: Tomb of Queen Khentkawes

Overview: A mysterious tomb with star motifs and hidden dangers.

Portal: A sarcophagus with a hidden Atlantean mechanism, powered by Kate/Karl.

Discovery: Arcana/Perception roll (DC 15) to find the mechanism and star symbols.

Puzzle: Align the star symbols in the correct order to unlock the sarcophagus.

Success: Vision from the Queen, ancient password, and a piece of the final key.

Failure: Curses or spectral guardians attack.

Revelation: Queen's vision points to the rock cut tombs: "Where the sun meets the serpent, destiny is revealed."
