

FAIL FORWARD

CHARACTER NAME

Mr/Mrs Blue

CHARACTER BIO & NOTES

They told it was an easy job, they told it would go all quietly and nice without any gunfire or trouble. But the very moment you got into the lobby, the cops came sirens blazing and now you are stuck here. You aren't even a hardened criminal like the rest – you are just a locksmith looking for a way to save your business from bankruptcy... They told it was an easy job, they told it would go all quietly and nice without any gunfire or trouble.
