

Site: Osireion (Abydos)

Overview: A mysterious underground temple, half-submerged and filled with ancient energy.

Portal: Granite door with "flower of life" motif, quantum-locked and half-submerged.

Discovery: Arcana/Survival roll (DC 16) to find and access the portal.

Puzzle: Solve a water puzzle and commune with a spirit to power the door.

Success: Clue to the "original" pyramids and a long-distance portal key.

Failure: Spirit's wrath or flooding.

Revelation: Spirit whispers of the Andes: "Where the sun rises over the lake, a gate awaits."
