

Site: Underground Repository of Knowledge (Giza)

Overview: A vast, hidden library beneath the Giza plateau, filled with Atlantean knowledge and secrets.

Portal: A solid granite door, quantum-locked. Requires a major social media funding success to open.

Discovery: Arcana/Investigation roll (DC 17) to find the activation glyphs and hidden entrance.

Puzzle: Solve a riddle about "truth and memory" to unlock the door after powering it.

Success: Access to the Atlantean library, blueprints, and prophecies. Gain a key for long-distance portals.

Failure: Door remains inert, or triggers a psychic defense (visions, confusion).

Revelation: Prophecy about the "world gates" and a warning about power limits.
