

## Site: Valley of the Queens (Giza)

**Overview:** A field of lesser-known tombs south of the main pyramids, shrouded in mystery.

**Portal:** Granite door disguised as a sarcophagus lid, quantum-locked.

**Discovery:** History/Perception roll (DC 14) to spot the disguised portal.

**Puzzle:** Decipher the Queen's lament and power the door while avoiding curses.

**Success:** Vision of a distant land (foreshadowing Andes or Eridu) and a portal key.

**Failure:** Curse or spectral queen appears.

**Revelation:** Vision hints at the Step Pyramid: "Where steps rise, secrets descend."
