

Site: The Great Sphinx

Overview: The enigmatic guardian of Giza, rumored to hide many secrets.

Portal: A stone panel between the Sphinx's paws, with a faded Atlantean eye.

Discovery: Arcana/Insight roll (DC 16) to sense the portal's energy.

Puzzle: Players must answer the Sphinx's riddle (customize for your game).

Success: Panel slides open, revealing a deep shaft. - Message: "You stand at the threshold of Atlantis. Only the worthy may proceed." - Tech: a voice modulator (lets players speak ancient languages).

Failure: Sphinx's roar stuns players (lose a turn or take minor damage).

Revelation: Final clue to the Atlantean gateway beneath the Pyramid of Khufu.
