

CHARACTER

Jonathan Reed

BACKGROUND

Jonathan Reed is a postgraduate archaeology student from Oxford, sent undercover to expose alternative history hoaxes. He's gathering content for a debunking YouTube channel as part of his professor's assignment. Posing as a believer, he slips real evidence into fringe circles. If successful, he'll earn a recommendation to a top doctoral program.

ABILITIES (choose 3)

Historical Analysis Artifact Identification Undercover Persuasion
Photographic Documentation Linguistic Decoding Field Sketching
Yoga Meditation

SANITY

(6 = Sanity breaks)

Check one circle each time sanity decreases.
