

CHARACTER

Orion Sagebrook
@ThirdEyeTransit

BACKGROUND

World-roaming hipster mystic and air-brew coffee snob, he maps ancient portal sites with a denim full of mushroom patches and conspiracy flair. Based in vanlife but mostly found by sacred rivers or submerged ruins, he shares meditations, mushroom journeys, and pyramid theories on his channel. A deep believer in forgotten tech and ancient travel networks. Wears quartz, speaks softly, drinks strong.

ABILITIES (choose 3)

Mystic Insight Ancient Site Cartography Psychedelic Navigation
Meditation Guide Yoga Meditation River Lore

SANITY

(6 = Sanity breaks)

Check one circle each time sanity decreases.
