

Site: Rock Cut Tombs (Khafre area)

Overview: Tombs carved into the rock near Khafre's pyramid, decorated with sun and serpent motifs.

Portal: A carved door with sun and serpent motifs, powered by Kate/Karl.

Discovery: Survival/Insight roll (DC 14) to find the door and interpret the carvings.

Puzzle: Survive a trap gauntlet and interpret the wall carvings to unlock the portal.

Success: Solar medallion, prophecy about the Sphinx, and the final portal key.

Failure: Trap triggers (poison darts, falling rocks, etc.).

Revelations:

- The great stone beast, the silent guardian, waits for those who understand the ancient symbols of light and transformation.
- The path to the ultimate wisdom is sealed, requiring the union of three radiant keys and three vessels filled with ancestral power.
- Seek the submerged heart of the forgotten city, where the deep currents hum with the secrets of the cosmos and reveal the way to the hidden repository.
